GÜL ROO® MEZCAL

100% Agave

We are a 100% Oaxacan company with three generations under its belt and a whole family tradition. Located in the region of the central valleys of Oaxaca, GÜL-ROO has the challenge of preserving the tradition of the mezcal teachers of the region, as well as promoting a culture of entrepreneurship and sustainability among the communities of Santiago Matatlán, Oaxaca with the aim of improving their quality of life. We take care of maintaining the artisanal part in our processes since it unites us to the family tradition and even a past full of history.
